CONTRACT ADMIN.

SUBJECT: S8ER Facilities Decommissioning (Bldg. 010) Final Report No.
ESG-DOE-13237

Dear Mr. Conners: *Bud*

The draft of the subject report has been reviewed and is acceptable as being satisfactory. Accordingly, the report may now be released for final distribution.

Based on information provided in the report, the facility site is considered available for general access and free of all surveillance and control requirements and is suitable for unrestricted use.

Sincerely,

Len
