

Soil Treatability Study

Energy Technology Engineering Center • U.S. Department of Energy

**Soil Treatability Investigation Group
November 15, 2011**

Logistics

The Soil Treatability Investigation Group will meet on Tuesday, November 15, from 1:00 – 4:30 p.m. The meeting will be held in the Roma Room at the Chatsworth Hotel, 9777 Topanga Canyon Boulevard, in Chatsworth, CA. Those who wish to participate via Internet based conference call should connect with the meeting by calling in to 1-866-740-1260 and then using 5236668# when prompted for a access code. Those individuals will be able to see what participants at the hotel can see by logging into <http://www.readytalk.com> (using participant access code of 5236668).

Participants

The following individuals have expressed interest in becoming members of the Soils Treatability Investigation Group: William Preston Bowling, Gloria Bowman, Rick Brandlin, Margery Brown, Andy Cano, Jackie Curry, John Detwiler, Sharon Lee Ford, Holly Huff, Barbara Johnson, David Karchem, Dawn Kowalski, Betsey Landis, John Luker, Marie Mason, Jim McElvaney, Lissa Miller, Mark Osokow, Noa Rishe, Brian Rogers, Chris Rowe, Brian Sujata, Teena Takata, Barbara Tejada, Alec Uzemeck, Christina Walsh, Abraham Weitzberg, Jacquie Young, and Joanne Yvanek-Garb.

Observers/agency representatives could include: Ravnesh Amar (The Boeing Company [Boeing]), Jazmin Bell (US Department of Energy [DOE]), Stewart Black (State of California - Department of Toxic Substances Control [DTSC]), Peggy Bloisa (CDM), Rick Brausch (DTSC), Dave Dassler (Boeing), Randy Dean (CH2M Hill), Allen Elliott (NASA), Merrilee Fellows (NASA), Dixie Hambrick (MWH), Stephanie Jennings (DOE), Tricia Johnson (Sandia), John Jones (DOE), Debbie Kramer (Chenega), Yvette LaDuke (DTSC), Art Lenox (Boeing), Christi Leigh (Sandia) Bwalya Malama (Sandia), Mark Malinowski (DTSC), Lance Martin (DOE), Roger Paulson (DTSC), Laura Rainey (DTSC), Jim Romeo (NASA), Janis Trone (Sandia), Todd Wallbom (DTSC), John Wondolleck (CDM), and Pete Zorba (NASA).

Objectives

The November 15th meeting is designed to support discussion about the following topics:

- The soil remediation technology matrix
- Sandia's planned process for eliciting expert opinions
- The list of experts to be invited to participate in the expert elicitation process
- Potential scenarios for submission to the experts for consideration
- The information that the experts will be invited to provide about each technology option they suggest

- Meeting and communication protocols for the ongoing operation of the Soil Treatability Investigation Group.

Agenda

The agenda for the November 15th meeting will be as follows:

Welcome and Introductions	1:00 – 1:20 pm
Meeting Objectives, Agenda, and Ground Rules	1:20 – 1:35 pm
Soil Remediation Technology Matrix	1:35 – 2:05 pm
Planned Process for Eliciting Expert Opinions	2:05 – 2:30 pm
Potential Scenarios	2:30 – 2:40 pm
Break	2:40 – 2:55 pm
Potential Scenarios (continued)	2:55 – 3:55 pm
Information to Solicit from the Experts about the Technology Options	3:35 – 3:55 pm
The List of Experts	3:55 – 4:10 pm
Meeting and Communication Protocols	4:10 – 4:20 pm
Next Steps and Meeting Evaluation	4:20 – 4:30 pm
